WELCOME TO A UNIVERSITY LIKE NO OTHER

Youthful, entrepreneurial and heavily focused on social innovation – we're committed to your academic success and enhancing your international student experience. With locations right across Australia, you're sure to find one that suits your lifestyle.

www.cqu.edu.au/locations

ADELAIDE

Adelaide is a culturally rich city known for its festivals, food, wine and café culture set in historical architectures and parklands. Home to the Appleton Institute and other facilities including a sleep laboratory and an interactive rail simulator, our Adelaide campus is a perfect ground for research students.

SYDNEY

Located in the business and finance engine of Australia, and a short stroll to the iconic Sydney Opera House and Darling Harbour, our Sydney campus offers a large selection of courses for our diverse student cohort. Students enjoy studying in this fast-paced city and being immersed in its flourishing arts scene and cosmopolitan atmosphere.

MELBOURNE

Conveniently located opposite Southern Cross train station, our Melbourne campus offers students the best of everything; shopping, public transport, nightlife, laneway streetscapes, and sporting and cultural festivities. Our students enjoy the strong and inclusive student community on campus and the city's diverse cosmopolitan atmosphere.

AR ENABLED

PERTH

CQUniversity's newest campus is located in the vibrant Perth central business district. Located a short walk away from Elizabeth Quay, the campus offers students state-of-the-art facilities in the heart of Western Australia's capital. Perth is known for being the 'City of Light' and holds the record for being Australia's sunniest capital city.

BUNDABERG

Bundaberg is located in the agricultural belt of Queensland, making it an ideal campus to study agribusiness and horticulture. The campus boasts multimedia and sound studios, and interactive electronically transmitted lectures to integrate with other campuses.

CAIRNS

Located near the beautiful Cairns Esplanade parklands, our Cairns campus boasts modern study and recreational spaces where students can enjoy natural light and spectacular sights of the waterfront. Cairns is a perfect gateway for students to explore World Heritage wonders including the Great Barrier Reef and Daintree Rainforest.

MACKAY

Our resort-style Mackay Ooralea campus boasts modern teaching facilities, a student residence and the internationally-regarded Central Queensland Conservatorium of Music, perfect for performing arts students. Our Mackay City campus delivers vocational courses with onsite training facilities in hospitality and nursing.

BRISBANE

Located in Queensland's capital city, our Brisbane campus is in the midst of world-class galleries and shopping, a booming live music scene and a fabulous café culture – giving students the best of city living. With a dedicated student services floor, the campus offers a greater sense of support and community.

We continue to be Australia's most accessible and inclusive university, ensuring that a quality education is accessible to everyone…

GLADSTONE

The Gladstone area is a region of diversity – tourism, community and industry co-exist in harmony, retaining an agreeable lifestyle and environment balance. Our picturesque Gladstone Marina campus is located next to the harbour and houses the University's Engineering and Environment Management Complex dedicated to engineering research and training.

NOOSA

Noosa is situated on the edge of a UNESCO Biosphere Reserve, making the Noosa campus an excellent place to study conservation and the environment. The campus also offers courses in allied health and education, and practical learning is delivered through onsite clinical laboratories and collaborative learning spaces.

TOWNSVILLE

Townsville is the largest tropical city in northern Queensland, approximately four hours driving distance south of Cairns. The region is home to scenic rainforests and unspoilt beaches; and a gateway to the delightful Magnetic Island, the Great Barrier Reef and the Whitsundays.

ROCKHAMPTON

CQUniversity's Rockhampton North campus has all the facilities and services one can expect from a renowned university. It boasts modern engineering and health precincts, sporting facilities, a student residence and a multi-faith centre.

CQUNIVERSITY AUSTRALIA

Our focus and commitment to improving the overall student experience is reflected in the positive QILT results*. By choosing to study with us, you are choosing a quality education built around models of outcome-based education delivered in supportive learning environments.

Over the past 25 years, CQUniversity has grown from a small institution focused on education and industry in regional Queensland, to a multi-campus, multi-city university focused on preparing highly diverse learners for internationally-engaged and effective professional practice wherever they may be situated.

AN INTERNATIONAL OUTLOOK

International students have contributed greatly to CQUniversity over the years, enriching the university culturally, academically, and contributing to its long-term growth. The concept of international activity is not new to CQUniversity. Over the past 25 years, CQUniversity has grown from a small institution focused on education and industry in regional Queensland, to a multi-campus, multi-city university focused on preparing highly diverse learners for internationally-engaged and effective professional practice wherever they may be situated.

QUALITY EDUCATION FOR EVERYONE

We welcome students from diverse cultural backgrounds, geographic locations and social-economic contexts. We continue to be Australia's most accessible and inclusive university, ensuring that a quality education is accessible to everyone by offering seamless pathway options for career progression at competitive and affordable fees.

RESEARCH WITH REAL WORLD OUTCOMES

We strive to achieve relevance in our research goals through links with industry, business, government and the community, and through collaboration with national and international researchers and research networks. Our research focus is in priority areas that directly contribute to the support and revitalisation of community health, sustainability and education.

GLOBAL CONNECTIONS

CQUniversity has over 100 000 registered alumni across the globe so, no matter where you are in the world, you can enjoy the opportunity to connect and expand your personal and professional networks.

THE CQUNIVERSITY ADVANTAGE

BECOME AN ACTIVE LEARNER

You will learn in a creative and collaborative environment under the guidance of award winning academics. Through their innovative teaching practices, you will gain and develop your critical thinking and problem-solving skills, enabling you to reach your potential and gain a passion and thirst for knowledge.

MAKE FRIENDS FROM AROUND THE WORLD

CQUniversity has over 30 000 students approximately 5000 of which are international students from 115 countries. There is always something happening on campus with a variety of social and cultural events for our diverse student cohort throughout the year.

CONNECT VIRTUALLY

Enjoy the flexibility of studying for your degree where and when it suits you. You will have access to advanced online learning technologies via a virtual classroom with academic staff and our online platform UCROO where you can connect with fellow students and find study groups and student mentors.

MAKE A DIFFERENCE

We believe that the more you give, the more you gain. By studying at a university that is heavily focused on social innovation, you will learn in a supportive environment where talent for social change and making a difference is nurtured and developed.

EXPERIENCE ANOTHER COUNTRY

As a CQUniversity student, you can broaden your experience by studying for a term or two at one of our partner institutions located in over 30 countries across six continents. We have over 100 global partners and a member of the International Student Exchange Program network of universities.

RECEIVE CAREER GUIDANCE BEYOND GRADUATION

CQUni Careers offers career support services to students as well as graduates. The team is dedicated to helping you build employability and job search skills as you prepare to be work ready in your chosen career. Current students are also able to access the online portal, CareerHub, to search for casual or part-time vacancies and Career Connection, our new careers mentoring program that connects alumni with current students.

OUR DEGREE STRUCTURE

Further your skills and knowledge in your chosen field or explore a new career direction. Either way, CQUniversity has the postgraduate course to satisfy your needs.

With a postgraduate degree, you can enhance your employment prospects, increase your earning potential and satisfy your intellectual curiosity.

COURSEWORK STUDY OPTIONS

Graduate Certificate

Provides specialised study in a specific subject area, with the opportunity to progress to a graduate diploma and/or masters upon completion. Many CQUniversity graduate certificate courses are designed as a pathway for those who have not studied a bachelor degree but have relevant professional experience.

Graduate Diploma

Enables you to develop skills in a specialised area, or equip you with the knowledge to undertake a new career direction. Graduate diplomas are designed for those who have already completed a bachelor degree or equivalent, or have significant professional or industry experience in a relevant area.

Masters by Coursework

Comprises a series of specialist courses designed to extend your professional understanding in a particular subject area, or provide you with the opportunity to move in a new professional direction. Postgraduate coursework courses have a structure consisting of core and elective units, and therefore require students to enrol in these units, attend timetabled classes and complete required assignments

RESEARCH STUDY OPTIONS

Masters by Research

Enables you to undertake original research in a particular area of interest under supervision and resulting in the submission of a thesis.

Doctor of Philosophy (PhD)

Awarded on the basis of a thesis prepared under supervision that makes an original, significant and extensive contribution to knowledge and understanding in the relevant field of study, as judged by independent experts applying accepted contemporary international standards.

Doctor of Education

A professionally based research higher degree available through the University as an alternative to the traditional research courses. It offers a rigorous course combining structured advanced research tasks and a thesis component.

Doctor of Professional Studies

An internationally recognised higher research degree designed to produce innovation in commercial, government, educational and other applied settings. Whereas the PhD, EdD and other 'professional' doctorates are single-discipline based, the CQUniversity Doctor of Professional Studies is explicitly transdisciplinary to reflect the way research is carried out in industry and government.

CQUNI *Stories*

AR ENABLED

Joseph reflects on his favourite pastimes, how special it is that people from different cultures are embraced here, and his favourite thing about CQUni being the accommodating staff.

JOSEPH VIZMANOS, MASTER OF INFORMATION TECHNOLOGY

RESEARCH EXCELLENCE

At CQUniversity we know that research is about new ideas, understanding the world around us and shaping the future. If you're passionate about a topic you'd like to explore further, we can help you turn that interest into a research project that can make a difference.

RESEARCH TRAINING

To develop your skills in statistics, research ethics, oral presentations, thesis writing and many more areas, we provide training events throughout the year, at either our research-active campuses or by online or video-conference sessions.

MAKING A DIFFERENCE WITH WORLD-CLASS RESEARCH

Our research organisations provide the focus, scale and environment for our researchers to make national and international cutting-edge contributions to their research fields.

- **Appleton Institute**
- **Centre for Intelligent Systems**
- **Centre for Railway Engineering**
- **Centre for Regional Advancement of Leaning, Equity, Access and Participation**
- **Centre for Tourism and Regional Opportunities**
- **Institute for Future Farming Systems**
- **Queensland Centre for Domestic and Family Violence Research**
- **Centre for Indigenous Health Equity Research**

Indigenous Health

Centre for Indigenous Health Equity Research

System sciences; public health equity research; impact assessment and evaluation; health economics; evidence reviews and translation/advocacy.

Healthy People

Appleton Institute

Safety science; sleep and biological rhythms; applied psychology; occupational health and safety; human factors; risk management; cultural anthropology and immigration.

Rail Innovation

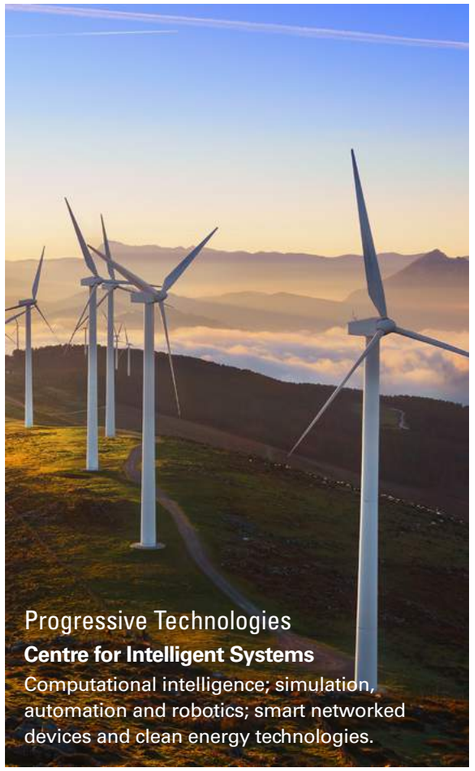
Centre for Railway Engineering

Train and wagon simulation; erosion mitigation design (rapid grass); heavy testing laboratory; data acquisition services and product development.

Stronger Families

Queensland Centre for Domestic and Family Violence Research

Reduce deficits in domestic and family violence knowledge and literature; domestic and family violence prevention; rural and regional communities; Aboriginal and Torres Strait Islander peoples.



Progressive Technologies

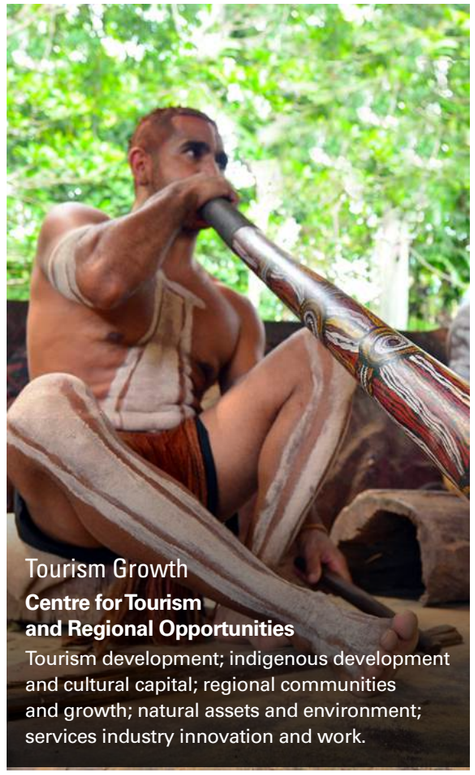
Centre for Intelligent Systems

Computational intelligence; simulation, automation and robotics; smart networked devices and clean energy technologies.

Sustainable Food Systems

Institute for Future Farming Systems

Agricultural science; water and irrigation systems; natural resource management; value chain management and resource economics.



Tourism Growth

Centre for Tourism and Regional Opportunities

Tourism development; indigenous development and cultural capital; regional communities and growth; natural assets and environment; services industry innovation and work.

Empowered Communities

Centre of Regional, Advancement of Learning, Equity, Access and Participation

Tourism development; indigenous development and cultural capital; regional communities and growth; natural assets and environment; services industry innovation and work.

SKILLS FOR THE FUTURE

Go beyond what you learn in the classroom with practical components that complement your theoretical knowledge. Our courses are designed with industry to ensure you graduate with the skills that employers seek and give you a competitive edge over your peers in the job market.

ACCREDITED COURSES

Our courses are accredited with a range of industry bodies. This accreditation allows you to seek membership upon graduation and can provide a connection to a community of professionals for networking and knowledge sharing opportunities.

INTERNSHIPS

Embark on a ten-week internship as part of your course. Together with our partner, Australian Internships, a placement is found for you in your preferred industry from over 3000 organisations. You will hone your interview and business communication skills while learning from industry professionals in your field of study.

WORK INTEGRATED LEARNING

Work integrated learning covers a range of work-related experiences such as student placements and simulated workplaces as part of your course.

RESIDENTIAL SCHOOLS

Residential schools may be compulsory or recommended, and vary in duration. They are usually conducted at a CQUniversity campus where an intensive block of classes allows you to obtain practical hands-on experience and network with lecturers, other students and in some cases industry specialists.

VOLUNTEERING AND SOCIAL PROJECTS

As Australia's first Ashoka U Changemaker Campus, CQUniversity has a strong focus on engagement, social outreach and giving back to its many and diverse communities. As a student volunteer, you will gain invaluable experience and change the way you view the world.

LIFE ON CAMPUS

We invest heavily in our international student support services to ensure you are supported both academically and personally throughout your studies and that your time in Australia is an enriching and inspiring one.

ACADEMIC LEARNING CENTRE

CQUniversity's Academic Learning Centre offers a range of workshops and online courses to help you with your studies and develop your academic skills.

These include:

- reflective writing
- oral presentation tips
- note-taking
- researching and referencing
- time management skills
- preparing for exams.

CLUBS, GROUPS AND SOCIETIES

University is one of the most exciting times of your life and joining a club is a fantastic way to meet like-minded people.

These include:

- Melbourne Futsal Club
- Future Stars Cricket Club
- Photography Collective
- Taekwondo Club
- Wildcats Soccer.

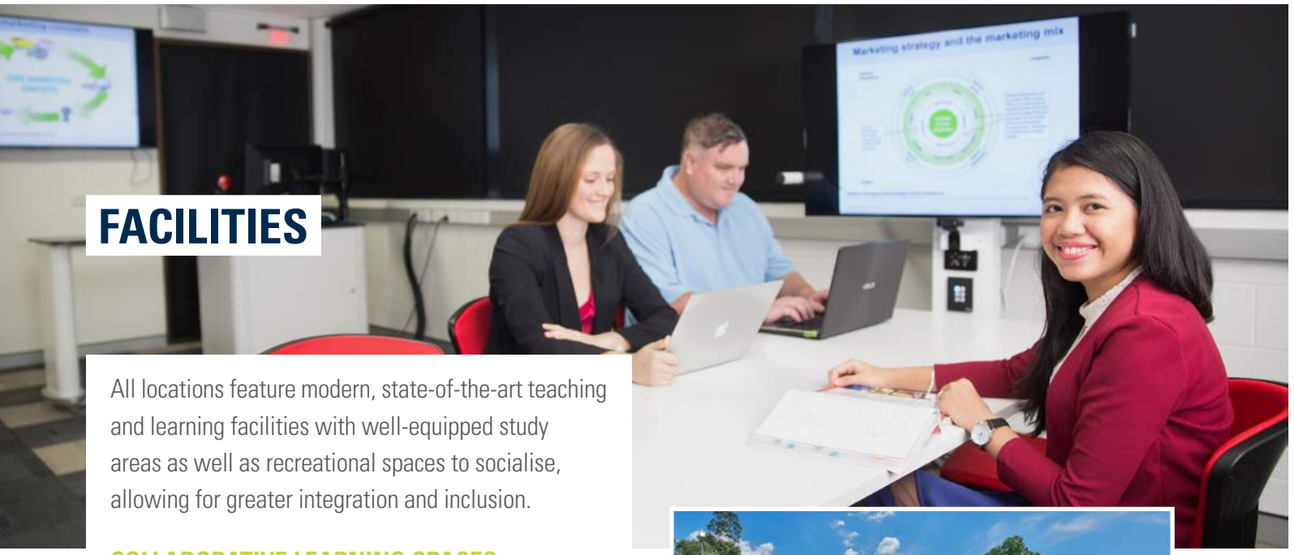
INTERNATIONAL STUDENT SUPPORT

Together with the Campus Life Committees and Student Experience teams across the University, we aim to provide ongoing support for all international students from arrival to graduation.

Support services include:

- pre-arrival information
- accommodation assistance orientation
- information on Overseas Student Health Cover (OSHC)
- student mentor and leadership programs
- career services
- confidential counselling and welfare services
- social activities and student forums
- care arrangements for students under 18 years of age
- students with families
- going home program after completion of studies.

FACILITIES



All locations feature modern, state-of-the-art teaching and learning facilities with well-equipped study areas as well as recreational spaces to socialise, allowing for greater integration and inclusion.

COLLABORATIVE LEARNING SPACES

Students learn in an environment that fosters a high level of engagement and interaction among fellow students and lecturers as well as providing the latest in emerging technologies to support innovative learning.

SPORTS CENTRE

The CQUniversity Community Sports Centre in Rockhampton boasts an Olympic-sized swimming pool, gym and group fitness classes so students can take active steps to lead a healthy lifestyle.

ACCIDENT FORENSICS LAB

Located at CQUniversity Bundaberg, transport and safety sciences students learn in a series of simulated accidents at the 'crash lab'.

MULTI-FAITH CHAPLAINCY CENTRE

Located in Rockhampton, the centre is a welcoming space where everyone is invited regardless of their beliefs. Prayer rooms and quiet rooms are also available in each location.

MEDICAL LABS

Students have access to fully equipped labs replicating a real hospital ward, including a real imaging department and clinical learning experiences.

SCHOLARSHIPS

Scholarships are available to international students wishing to undertake a coursework or research higher degree at CQUniversity.

AR ENABLED

CQUNIVERSITY INTERNATIONAL STUDENT SCHOLARSHIPS

CQUniversity offers general scholarships which reward successful applicants with a 20 per cent reduction in tuition fees for the duration of their studies, subject to meeting terms and conditions.

SCHOLARSHIP	CAMPUSES	ELIGIBILITY	HOW TO APPLY
International Student Scholarship	All	Attained an overall grade of 75 per cent in their previous studies.	Applications for the International Student Scholarship must be made when applying for your academic course through iStart, our online application system.
International Student Scholarship – Regional	Bundaberg, Cairns, Gladstone Marina, Mackay Ooralea, Noosa, Rockhampton North, Townsville	Successful completion of most recent studies.	

AUSTRALIAN GOVERNMENT

Endeavour Scholarships and Fellowships

The Endeavour Scholarships and Fellowships are competitive, merit-based scholarships that bring top international students to study at Australian institutions.

For more information visit **www.internationaleducation.gov.au/endeavour**.

Australia Awards Scholarships

The Australia Awards Scholarships provide opportunities for people from developing countries to undertake study at participating Australian institutions.

For more information visit **www.australiaawards.gov.au**.

RESEARCH SCHOLARSHIP

Tuition Fee and Stipend Scholarships

Applications for the Tuition Fee and Stipend Scholarships are opened in August and close at the end of October, for study commencing in the following calendar year.

For more information visit **www.cqu.edu.au/research/research-scholarships**.

GLOBAL OPPORTUNITIES

CQUGlobal is CQUniversity's global mobility program allowing you to undertake part of your studies in a different country. The program has two streams, CQUGlobal Inbound to Australia and CQUGlobal Outbound from Australia.

CQUGLOBAL OUTBOUND

As a CQUniversity student, you have plenty of opportunities to study overseas at renowned universities for one or two terms while gaining credit towards your degree.

CQUGLOBAL INBOUND

Students studying at overseas institutions can apply to study for one or two terms at CQUniversity, and gain credits that can be

transferred back to your home institution. Short-term options such as our two-week summer and winter program or English study tours are also available.

BENEFITS

- Enhance your employment prospects
- Develop language skills
- Immerse yourself in a different culture
- Travel and make new friends
- Grow your confidence and independence
- Earn credits towards your degree

www.cqu.edu.au/cquglobal

ONLINE STUDY

Earn a qualification that is recognised worldwide without you having to be on campus. You will study the same units and graduate with the same qualification, all from the comfort of your own home. This is perfect if you need to balance university with work or personal commitments.

WHY STUDY ONLINE WITH CQUNIVERSITY

We are leaders in this space, offering a strong track record of online courses for over two decades. Our courses range from business, accounting, information technology and digital media to engineering, allied health and medical science.

ADVANTAGES

- Flexible study load
- No student visa required
- Professional accreditation will not be affected
- Save on living expenses
- 24/7 access to online learning tools and study materials
- Extensive range of student support services

www.cqu.edu.au/international-online

EXPERIENCE AUSTRALIA

Australia is a safe and modern country, with cities regularly ranked among the best in the world to live and study in. The cities offer vibrancy, cultural diversity, and a generally fast-paced lifestyle. Outside the cities, you can experience a more laid-back environment with a diverse range of outdoor activities and natural landscapes to enjoy.

INTERESTING FACTS

1. Australia is the world's 6th largest country.
2. The name Australia comes from the Latin word 'Australis', meaning southern.
3. The Great Barrier Reef is the world's largest reef system.
4. There are about 225 languages spoken in Australia, making it one of the most multicultural countries in the world.
5. The Kangaroo and Emu are on the Australian coat of arms as neither animal can walk backwards, symbolising a nation that is always going forward.

ACCOMMODATION

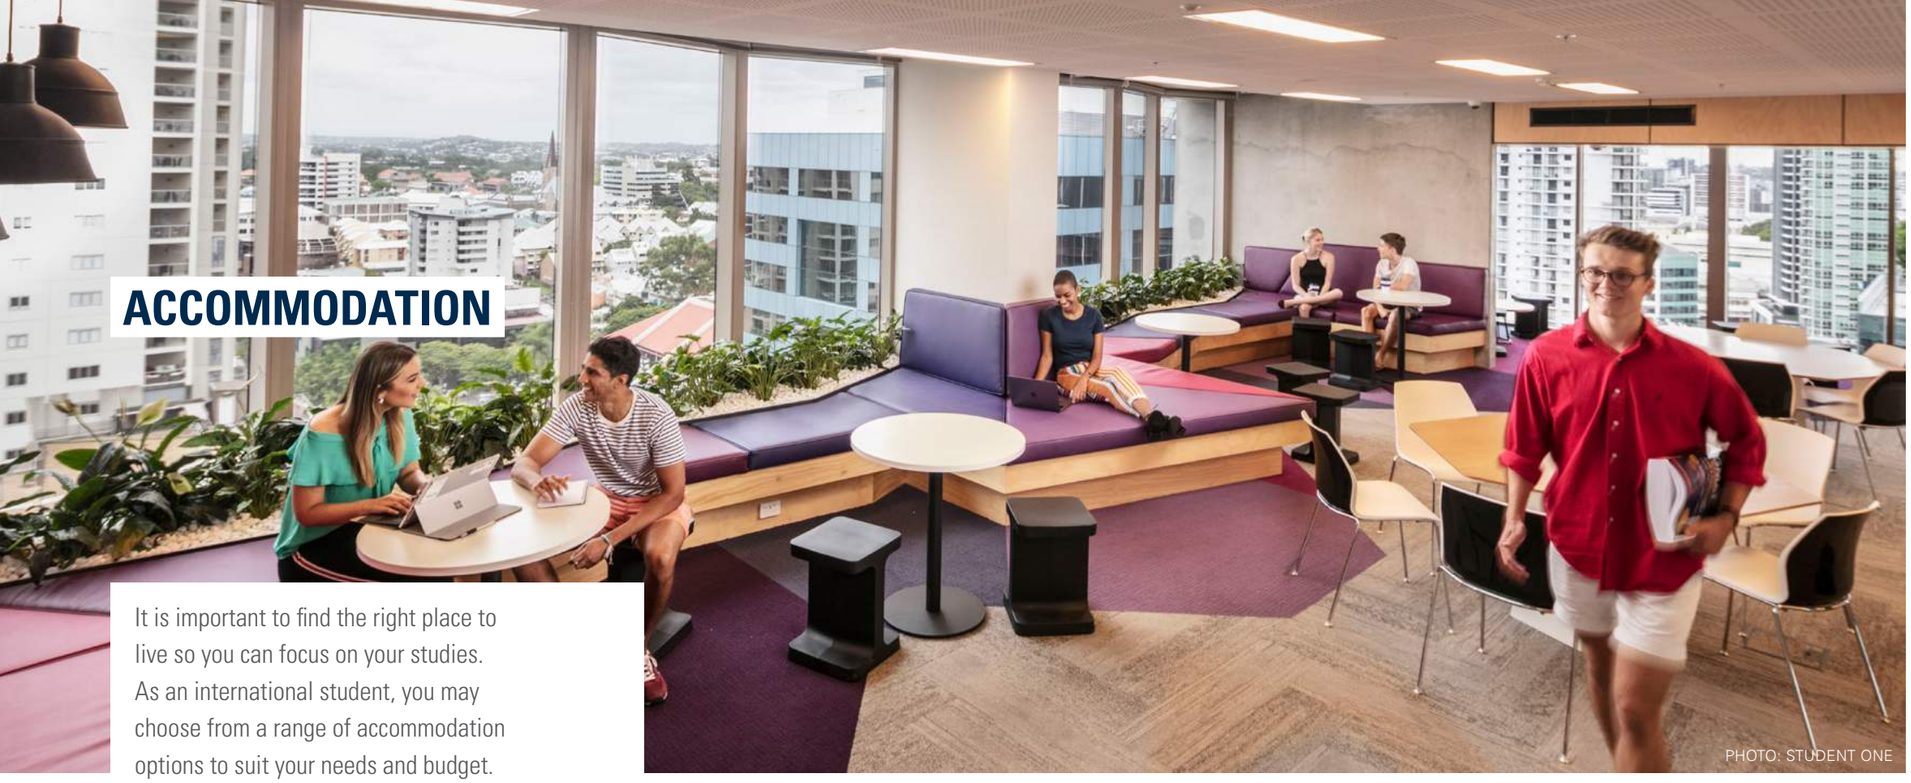

PHOTO: STUDENT ONE

It is important to find the right place to live so you can focus on your studies. As an international student, you may choose from a range of accommodation options to suit your needs and budget.

HOMESTAY

Our preferred homestay provider is Australian Homestay Network who will facilitate the arrangement and ensure you have a welcoming, safe and enjoyable experience. For more information visit **www.homestaynetwork.org**.

STUDENT ACCOMMODATION

Student One is the preferred accommodation provider for CQUniversity students in Brisbane. Our students enjoy an exclusive floor only in the Wharf St residence. For more information visit **www.studentone.com/cqu**. Urbanest is an endorsed provider of student accommodation to CQUniversity students in Brisbane, Melbourne and Sydney. For more information visit **www.urbanest.com.au**.

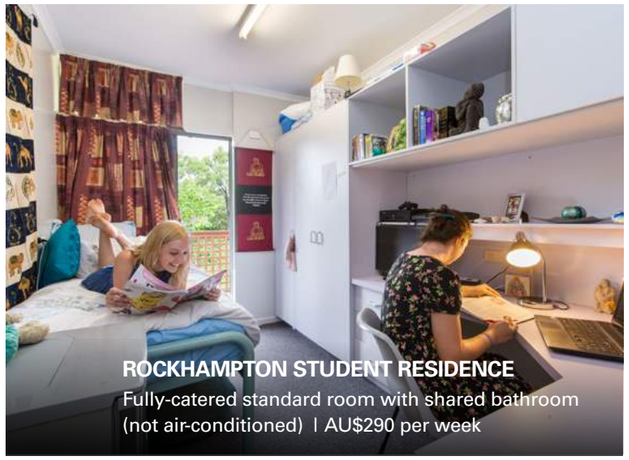
PRIVATE ACCOMMODATION

Off-campus accommodation such as flats, houses and shared accommodation can be found in the private rental market. You may look for these rental properties through property websites such as **www.realestate.com.au** and **www.domain.com.au**.

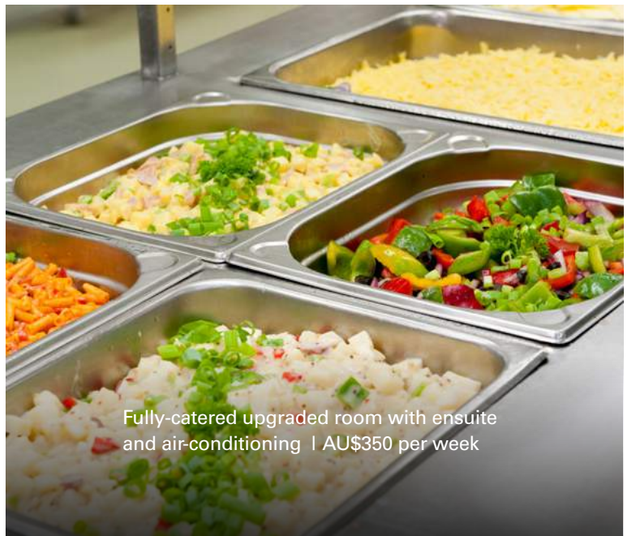
ON-CAMPUS RESIDENCE

Living on campus provides a great environment to live and study in. It offers ease and convenience to your university life. Benefits include:

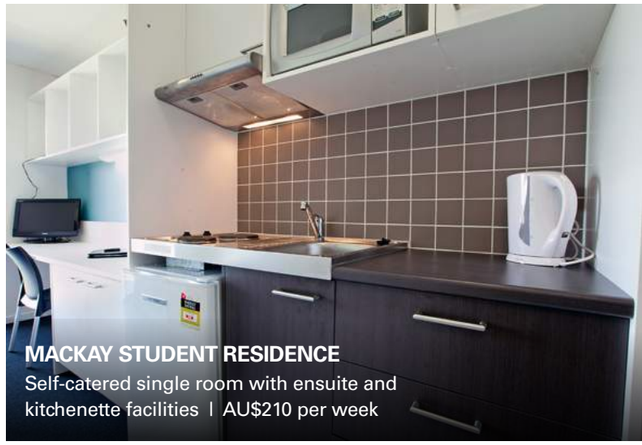
- opportunity to make friends from all over the world and local Australian students
- learn about different cultures
- save money and time on travelling to campus – no car or public transport is required
- increased safety with campus security and individually keyed rooms
- opportunity to get involved with social, community and cultural activities
- on-site manager and 24-hour live in staff
- access to Residential Life team for ongoing pastoral care
- reduced fees for gym membership.



ROCKHAMPTON STUDENT RESIDENCE
Fully-catered standard room with shared bathroom (not air-conditioned) I AU$290 per week



Fully-catered upgraded room with ensuite and air-conditioning I AU$350 per week



MACKAY STUDENT RESIDENCE
Self-catered single room with ensuite and kitchenette facilities I AU$210 per week

Self-catered single room with ensuite and shared kitchen facilities I AU$210 per week

Self-catered single room with shared bathroom and kitchen facilities I AU$182 per week

Costs are based on 2018 pricing for residency of nine weeks or more and include all utility bills, wi-fi access and meals in catered options. No bond is required. An application fee of AU$100 applies for new students. For more information and to apply email studentresidences@cqu.edu.au.

ENTRY REQUIREMENTS

Our entry requirements ensure you are suitably prepared for your course at CQUniversity and may vary by course. This may include prerequisite study in certain subjects. For details on what these prerequisites may be, refer to our course information pages within this guide.

ACADEMIC

POSTGRADUATE COURSEWORK	
Graduate certificate, graduate diploma and masters by coursework	Completion of a bachelor degree with the equivalent to an Australian pass grade average in the final two terms, from a recognised higher education institution.
POSTGRADUATE RESEARCH	
Masters by research	Completion of an honours degree or a bachelor degree at a high level of academic performance in a relevant discipline.
Doctoral degree	Completion of a bachelor degree in a relevant discipline with first or second class honours; or a masters degree with substantial element of research work.

ENGLISH

CQUniversity accepts the following English tests:

- International English Language Testing System (IELTS Academic)
- Test of English as a Foreign Language (TOEFL; internet-based)
- Pearson Test of English Academic (PTE Academic)
- Cambridge English: Advanced (CAE)
- Cambridge English: Proficiency (CPE).

The following are the minimum scores required for entry to most of our courses. Generally test results are valid for two years prior to the date of the applicant's first commencement term.

www.cqu.edu.au/englishreq

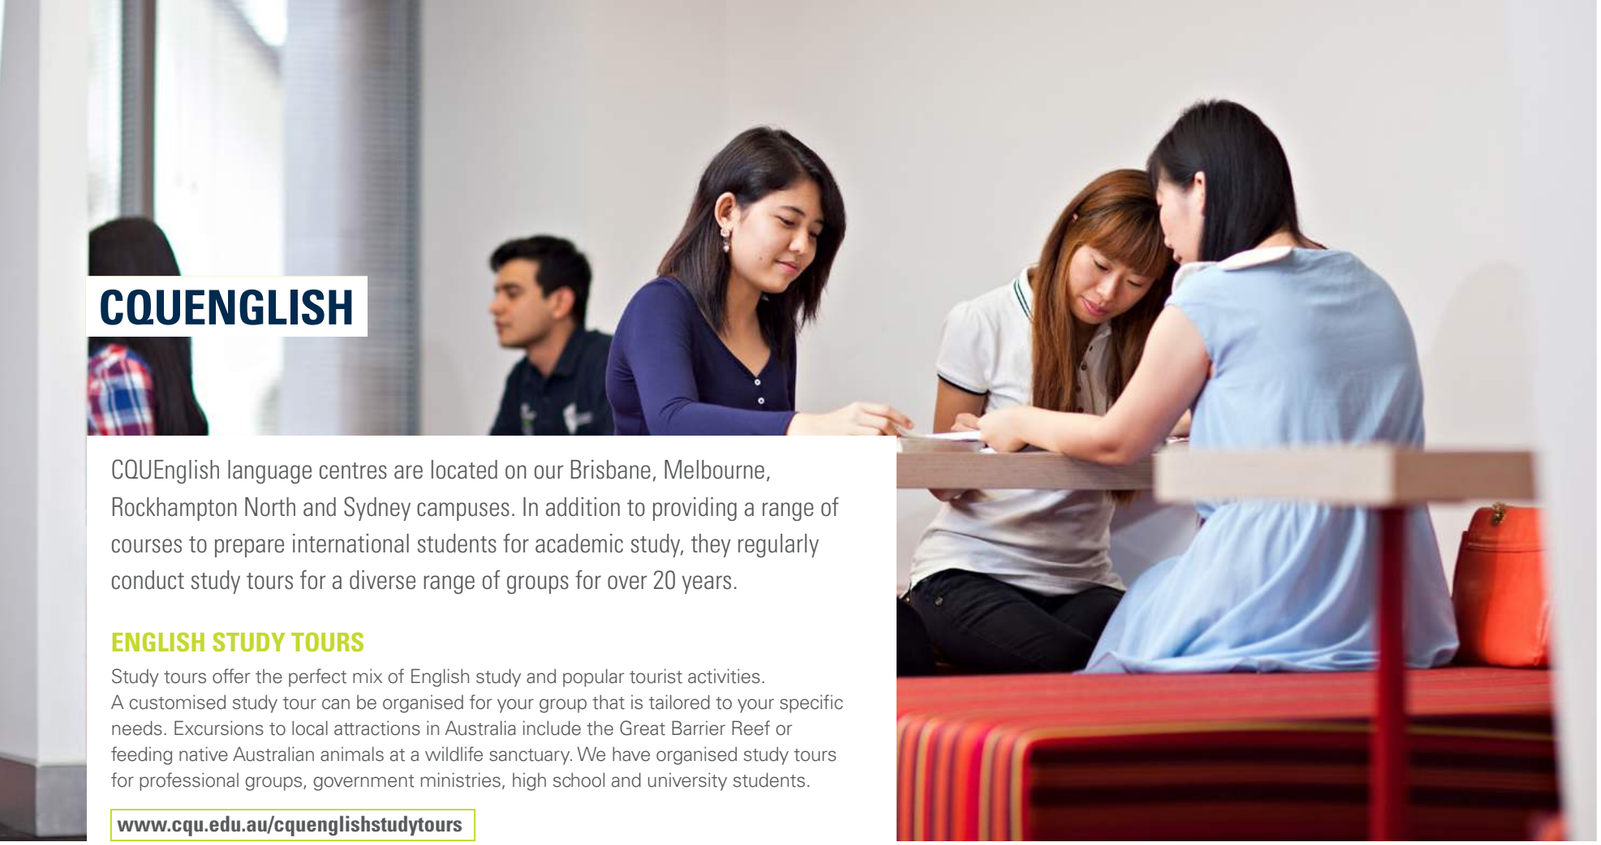
ENGLISH TEST	POSTGRADUATE COURSEWORK	POSTGRADUATE RESEARCH
IELTS Academic	Overall 6.0 (with no band less than 5.5).	Overall 6.5 (with no band less than 6.0).
TOEFL (internet-based)	Overall 75 (with no score less than 17).	Overall 79 (with no score less than 21).
PTE Academic	Overall 54 (with no score less than 46).	Overall 62 (with no score less than 54).
CAE and CPE	Overall 169 (with no band less than 154).	Overall 176 (with no band less than 169).

Other evidence of English proficiency may be accepted. This includes:

- successful completion of English studies
- study where the medium of instruction was in English at a university or post-secondary school, or
- possess an academic qualification that meets the English requirements.

Some courses require higher scores. They are:

Master of Engineering	IELTS overall 6.5 requirement (with no band less than 6.0) or equivalent.
Graduate Diploma of Learning and Teaching (Secondary)	IELTS overall 7.5 requirement (with no band less than 8.0 for Speaking and Listening and no band less than 7.0 in Reading and Writing) or equivalent.
Graduate Certificate in Nursing (International Registered Nurse Entry) Master of Medical Ultrasound	IELTS overall 7.0 requirement (with no band less than 7.0) or equivalent.
Graduate Certificate in Business Administration Graduate Diploma of Business Administration Master of Business Administration	IELTS overall 6.5 requirement (with no band less than 6.0) or equivalent.



CQUENGLISH

CQUEnglish language centres are located on our Brisbane, Melbourne, Rockhampton North and Sydney campuses. In addition to providing a range of courses to prepare international students for academic study, they regularly conduct study tours for a diverse range of groups for over 20 years.

ENGLISH STUDY TOURS

Study tours offer the perfect mix of English study and popular tourist activities. A customised study tour can be organised for your group that is tailored to your specific needs. Excursions to local attractions in Australia include the Great Barrier Reef or feeding native Australian animals at a wildlife sanctuary. We have organised study tours for professional groups, government ministries, high school and university students.

www.cqu.edu.au/cquenglishstudytours

IELTS PREPARATION AND TEST CENTRE (IELTS)

If you need to prepare for the IELTS exam, the CQUEnglish language centre in Rockhampton North runs IELTS preparation classes. Classes are organised around the contents of a typical IELTS exam and gives you the opportunity to practice your exam skills using IELTS test style materials. The CQUEnglish centre at Rockhampton North is an authorised IELTS Test Centre. Exams are held once a month in Rockhampton and every two months in Mackay and Bundaberg.

Please note the following important information:

- Fees are in Australian dollars AU$.
- Fees are indicative only and do not cover additional costs such as textbooks, accommodation, visa applications, OSHC, general living etc.
- The final fee payable will be determined by your selection of units and if any credit was awarded for recognition of prior learning.
- The University reserves the right to amend fees at any time during the course. Fees are reviewed annually and may increase in the following year to enable CQUniversity to continue to provide quality services and facilities to students.
- Courses are subject to change at the discretion of the University.
- It is your responsibility to make yourself aware of the entry requirements and prerequisites of the courses you wish to undertake.
- The typical annual fee shown provides an estimate of the tuition fees for the first year of the course in 2019. This estimate assumes a full-time study load.
- The typical total course fee shown provides an estimate of the tuition fees for the whole course. This estimate is based on typical unit enrolments in each year of the course, with indexation of the 2019 international undergraduate subject fees at six per cent per annum for every additional year of study after 2019 (for students commencing in 2019). The amount shown assumes students complete no more than the course duration indicated.
- International students can only undertake courses online from an overseas location.
- Courses undertaken online may be studied on a full-time or part-time mode.
- International students studying on-campus in Australia may only take 25 percent of their entire course by online education, and this option cannot be taken in its entirety during a compulsory term (Term 1 and Term 2).

This course includes case studies and practical material to illustrate how the concepts of project management meet industry needs. It also adopts a methodological approach to the application of project processes and highlights the integration of different frameworks to a project. This course is part of a suite of postgraduate project management courses, allowing you to progress into the Graduate Diploma and the Master of Project Management.

Course Structure

You are required to complete the following compulsory units:
» Project Management Concepts
» Initiating and Planning Projects
» Executing and Closing Projects
» Project Management Methodologies.

English Requirements

Standard entry requirements apply.

GRADUATE DIPLOMA OF PROJECT MANAGEMENT

1 | 2 | 8

COURSE CODE: CV81
INTAKES: Term 1, Term 2, Term 3
AVAILABILITY: Brisbane, Melbourne, Mackey Ooralea, Perth, Sydney, Online
ANNUAL FEE: 27 210 **TOTAL COURSE FEE:** 27 210
CRICOS CODE: 084205C

This course builds on the body of work delivered in the Graduate Certificate. It aims to extend your understanding of project management by establishing a deep foundational knowledge base of the theoretical principles and the practical application of project management. You will undertake coursework that explores the principles of project management as based on recognised international standards, guidelines and frameworks. This course provides a pathway into the Master of Project Management.

Course Structure

You are required to complete the following compulsory units:
» Project Management Concepts
» Initiating and Planning Projects
» Project Management Methodologies
» Executing and Closing Projects
» Commercial Project Negotiation
» Program and Portfolio Management Information Systems
» Project Management for Operators of Large Assets.

Plus one unit from the following:
» Introduction to Programming
» Introduction to Asset and Maintenance Management
» Effective Business Communications.

English Requirements

Standard entry requirements apply.

MASTER OF PROJECT MANAGEMENT

2 | 4 | 16

COURSE CODE: CV84
INTAKES: Term 1, Term 2, Term 3
AVAILABILITY: Brisbane, Melbourne, Perth, Sydney, Online
ANNUAL FEE: 27 120 **TOTAL COURSE FEE:** 58 411
CRICOS CODE: 088198J

This course aims to equip you with knowledge through both coursework and research into project management. It focuses on both the hard technical and soft human aspects of project management as used in large commercial and public organisations. You will undertake a research project that can be based on either your workplace or issues that are important to the general project management profession. This coupled with an internship will further prepare you to contribute to future growth and change in the projects you are involved in.

Professional Recognition

Accreditation with Project Management Institute (PMI) is in development.

Course Structure

You are required to complete the following compulsory units:
» Project Management Concepts
» Initiating and Planning Projects
» Project Management Methodologies
» Executing and Closing Projects
» Commercial Project Negotiation
» Program and Portfolio Management Information Systems
» Project Management for Operators of Large Assets
» Research in Business
» Complex Project Management
» Project Management Project Proposal.

Plus one unit from the following:
» Project Management Research
» Project Management Internship.

In addition, you can choose four electives from the following:
» Introduction to Asset and Maintenance Management
» Maintenance Strategies
» Maintenance Organisation
» Asset Management Systems
» Effective Business Communications
» Statistics for Managerial Decisions
» Critical Thinking and Managerial Decision-Making
» Business Ethics and Sustainability.

EDUCATION AND HUMANITIES

MASTER OF LETTERS

3 | 6

COURSE CODE: CF08
INTAKES: Term 2
AVAILABILITY: Online
ANNUAL FEE: 26 640 **TOTAL COURSE FEE:** 26 640

This course is designed for your interest in creative writing into expertise. It provides an opportunity to engage in structured reading, research and writing under the guidance of an individual supervisor. The course is available online, enabling you to balance work, family and study commitments.

Course Structure

You are required to complete the following compulsory units:
» Elements of Creative Writing I
» Elements of Creative Writing II
» Creative Non-Fiction: True Stories Told Well
» Writing Poetry and Short Dramatic Pieces
» Research Dissertation Creative Writing A
» Research Dissertation Creative Writing B.

English Requirements

Standard entry requirements apply.

ENGINEERING AND BUILT ENVIRONMENT

MASTER OF ENGINEERING

2 | 8

COURSE CODE: CV82
INTAKES: Term 1, Term 2, Term 3
AVAILABILITY: Melbourne, Perth, Rockhampton North
ANNUAL FEE: 29 250 | **TOTAL COURSE FEE:** 60 255
CRICOS CODE: 088196M

This course has a strong emphasis on engineering practice and provides you with an opportunity to develop further skills and knowledge either in your current engineering discipline or in related discipline areas while at the same time developing your employability skills such as communication and teamwork. One of the key highlights of this course is that you will undertake an authentic project, in some cases with an industry mentor. Term 3 intake is not available at Rockhampton North.

Professional Recognition

This course is pending accreditation with Engineers Australia.
For more information visit **www.engineersaustralia.org.au**.

Course Structure

If you do not have previous industry experience, you will be required to select ENEP20001 Internship Work Experience as one of your elective units.

You are required to complete one compulsory unit: Australian Engineering Practice.

In addition, you must complete three Bachelor of Engineering civil engineering units from the higher level, two Master level thesis units and two other units from an elective units list. The full list of units for civil, electrical and mechanical majors are available in the CQUniversity handbook.

English Requirements

Minimum academic IELTS score of 6.5 with no individual band score less than 6.0.

GRADUATE CERTIFICATE IN ASSET AND MAINTENANCE MANAGEMENT

1 | 4

COURSE CODE: CC19
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 12 960 | **TOTAL COURSE FEE:** 12 960

This course allows you to learn about maintenance systems and strategies, and resource allocation in just four units. It is innovative and practical in its approach, providing you with the ability to excel in the field of maintenance, reliability and engineering management. This course is part of a suite of postgraduate asset and maintenance management courses, allowing you to progress to the Graduate Diploma and the Master of Asset and Maintenance Management.

Course Structure

You are required to complete the following compulsory units:

- Introduction to Asset and Maintenance Management
- Asset Management Systems
- Maintenance Strategies
- Maintenance Organisation.

English Requirements

Standard entry requirements apply.

GRADUATE DIPLOMA OF ASSET AND MAINTENANCE MANAGEMENT

2 | 8

COURSE CODE: CC20
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 25 920 | **TOTAL COURSE FEE:** 25 920

This course builds on the foundation of systems, strategies and resource allocation that were introduced in the Graduate Certificate. You can customise your course with a choice of units in areas including maintenance audits, condition monitoring, reliability, shutdowns and materials management. This course provides a pathway into the Master of Asset and Maintenance Management.

Please note there are some units with an optional residential school.

Course Structure

You are required to complete the following compulsory units:

- Introduction to Asset and Maintenance Management
- Asset Management Systems
- Maintenance Strategies
- Maintenance Organisation
- Maintenance Leadership.

Plus three units from the following:

- Maintenance Audit
- Reliability, Availability, Maintainability and Safety
- Condition Monitoring and Tribology
- Turnaround Maintenance Management
- Maintenance Materials Management.

English Requirements

Standard entry requirements apply.

MASTER OF ASSET AND MAINTENANCE MANAGEMENT

3 | 10

COURSE CODE: CC18
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 25 920 | **TOTAL COURSE FEE:** 41 566

This course is designed to enhance your employability and rise above your peers with upgraded knowledge, skills and qualifications. You will complete a project which exposes you to authentic learning whereby you identify a problem within your workplace and develop a solution using research tools and methodologies. This project requires you to engage in analysis, reflection and the critique of an organisational problem related to your professional practice.

Please note there are some units with an optional residential school.

Course Structure

You are required to complete the following compulsory units:

- Introduction to Asset and Maintenance Management
- Asset Management Systems
- Maintenance Strategies
- Maintenance Organisation
- Maintenance Leadership.

Plus three units from the following:

- Turnaround Maintenance Management
- Maintenance Materials Management
- Reliability, Availability, Maintainability and Safety
- Condition Monitoring and Tribology
- Maintenance Audit.

In addition, you will complete a major project over two terms including the following units:

- Engineering Research Project Planning
- Engineering Research Project Implementation.

English Requirements

Standard entry requirements apply.

HEALTH

GRADUATE CERTIFICATE IN ADVANCED SAFETY SCIENCE PRACTICE

5 | 1 | 2

COURSE CODE: CC49
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 13 320 | **TOTAL COURSE FEE:** 13 320

This course allows you to develop your safety science related knowledge, analysis and research skills in a way that will enable you to lead and manage specific complex safety environments. You have an opportunity to choose an advanced specialisation to complement your previous studies including: Transport Safety Management; Risk Engineering; Human Factors Engineering and Emergency Services Safety.

Course Structure

You are required to complete the following units:

- Specialisation Contexts and Methods 1
- Specialisation Project 1

English Requirements

Standard entry requirements apply.

GRADUATE CERTIFICATE IN DEMENTIA STUDIES

5 | 1 | 4

COURSE CODE: CV73
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 12 840 | **TOTAL COURSE FEE:** 12 840

This course provides you with an introduction to dementia care concepts that can be immediately applied in practical situations when caring for a person with dementia and their significant others. It also provides insights into the impact of dementia nationally and globally.

Course Structure

You are required to complete the following compulsory units:

- Dementia and Its Complexities
- Psychosocial Changes in Dementia
- Cognitive and Sensory Changes and Age
- Service Provision and Ageing.

English Requirements

Standard entry requirements apply.

GRADUATE DIPLOMA OF DEMENTIA STUDIES

1 | 2 | 8

COURSE CODE: CV78
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 26 160 | **TOTAL COURSE FEE:** 26 160

This course provides you with an in-depth understanding and encourages critical investigation into the impact of dementia nationally and globally. Additionally, you will be introduced to problem solving strategies surrounding issues as a result of the rising prevalence of dementia.

Course Structure

You are required to complete the following compulsory units:

- Dementia and Its Complexities
- Psychosocial Changes in Dementia
- Cognitive and Sensory Changes and Age
- Service Provision and Ageing
- Supporting People With Dementia
- Ageing in Indigenous People
- Ageing in Rural and Remote Areas
- Personhood and Dementia.

English Requirements

Standard entry requirements apply.

GRADUATE CERTIFICATE IN HEALTHY AGEING

COURSE CODE: CV75
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 12 840 **TOTAL COURSE FEE:** 12 840

This course enables you to venture into the rapidly growing market for health services that provide quality care to the ageing population. With a distinct focus on healthy ageing concepts such as preventable diseases, health promotion and active ageing, this course also enables you to provide a holistic approach to the care of your clients and community.

Course Structure

You are required to complete the following compulsory units:

- Opportunities and Challenges of Healthy Ageing
- Cognitive and Sensory Changes and Age
- Policy and Practice Projections
- Service Provision and Ageing.

English Requirements

Standard entry requirements apply.

GRADUATE DIPLOMA OF HEALTHY AGEING

COURSE CODE: CV80
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 26 160 **TOTAL COURSE FEE:** 26 160

This course examines complex concepts that can be immediately applied in practical situations when caring for anyone who is interested in healthy ageing. It encourages critical investigation into the impact of the rapidly expanding ageing population nationally and globally.

Course Structure

You are required to complete the following compulsory units:

- Opportunities and Challenges of Healthy Ageing
- Cognitive and Sensory Changes and Age
- Policy and Practice Projections
- Service Provision and Ageing
- Ageing in Indigenous People
- Ageing in Rural and Remote Areas.

English Requirements

Standard entry requirements apply.

GRADUATE CERTIFICATE IN NURSING (INTERNATIONAL REGISTERED NURSE ENTRY)

COURSE CODE: CL02
INTAKES: Term 1, Term 2
AVAILABILITY: Cairns, Online
ANNUAL FEE: 13 320 **TOTAL COURSE FEE:** 13 320
CRICOS CODE: 095595D

If you've completed a Registered Nursing qualification overseas and you're looking to practice as a Registered Nurse in Australia, the Graduate Certificate in Nursing (International Registered Nurse Entry) could be for you. You will develop advanced knowledge and skills and build on your existing cultural, theoretical, practical and research knowledge. This course will include a five-day residential school and 240 hours of industry based learning.

Professional Recognition

You will be eligible to apply for Nursing registration with the Australian Health Practitioners Regulation Agency (AHPRA).

Course Structure

You are required to complete the following units:

- The Nurse Professional
- Australian Identity and Nursing Care
- Australian Clinical Nursing Practice

English Requirements

Minimum academic IELTS score of 7 with no individual band score less than 7.0.

GRADUATE CERTIFICATE IN CLINICAL ULTRASOUND (SPECIALISATION)

COURSE CODE: CH86
INTAKES: Term 1, Term 2, Term 3
AVAILABILITY: Online
ANNUAL FEE: 12 960 **TOTAL COURSE FEE:** 12 960

The Graduate Certificate in Clinical Ultrasound is a professional course work qualification which will enable advanced level students or qualified healthcare professionals, such as doctors, paramedics, nurses, chiropractors, physiotherapists and podiatrists, to extend their field of expertise to include the production and interpretation of focused point of care diagnostic ultrasound images. The course is divided into clinical specialisations through the use of majors which align with the requirements of clinical practitioners in different fields.

Course Structure

You are required to complete the following unit:

- Science and Instrumentation of Ultrasound

In addition, you may choose three units from the following majors:

- Basic Soft Tissue Ultrasound Imaging Major
- Emergency Point of Care Ultrasound Major
- General Point of Care Ultrasound Major

English Requirements

Standard entry requirements apply.

MASTER OF MEDICAL ULTRASOUND

COURSE CODE: CV83
INTAKES: Term 1, Term 2, Term 3
AVAILABILITY: Online
ANNUAL FEE: 13 350 **TOTAL COURSE FEE:** 13 350

This course enables qualified sonographers and echocardiographers to develop expert knowledge and skills. This course allows you to undertake advanced practice in communication, management, governance and research. You will choose from a range of specialisations including advanced musculoskeletal ultrasound, paediatric ultrasound and foetal hearts.

Course Structure

You are required to complete four units from the following:

- Medical Science Research Project 1
- People and Organisations
- Organisational Governance and Leadership
- Advanced Communication in the Health Professions
- Advanced Musculoskeletal Ultrasound Lower Body
- Paediatric Ultrasound
- Medical Science Research Project 2
- Fetal Echocardiography
- Advanced Musculoskeletal Ultrasound Upper Body.

English Requirements

Minimum academic IELTS score of 7.0 overall and across all bands.

MASTER OF MENTAL HEALTH NURSING

COURSE CODE: CV83
INTAKES: Term 1, Term 2, Term 3
AVAILABILITY: Online
ANNUAL FEE: 26 640 **TOTAL COURSE FEE:** 40 759

This course enables qualified sonographers and echocardiographers to develop expert knowledge and skills. This course allows you to undertake advanced practice in communication, management, governance and research. You will choose from a range of specialisations including advanced musculoskeletal ultrasound, paediatric ultrasound and foetal hearts.

Course Structure

You are required to complete four units from the following:

- Medical Science Research Project 1
- People and Organisations
- Organisational Governance and Leadership
- Advanced Communication in the Health Professions
- Advanced Musculoskeletal Ultrasound Lower Body
- Paediatric Ultrasound
- Medical Science Research Project 2
- Fetal Echocardiography
- Advanced Musculoskeletal Ultrasound Upper Body.

English Requirements

Minimum academic IELTS score of 7.0 overall and across all bands

GRADUATE DIPLOMA OF PARAMEDIC SCIENCE (CRITICAL CARE)

COURSE CODE: CC70
INTAKES: Term 1
AVAILABILITY: Online
ANNUAL FEE: 25 920 **TOTAL COURSE FEE:** 25 920

The Graduate Diploma of Paramedic Science (Critical Care) provides you with the underpinning knowledge, clinical skills and clinical reasoning to successfully perform within the role of a Critical Care Paramedic or clinical level equivalent both within Australia and internationally. You will graduate with the skills required to provide essential services in critical care paramedic practice, including aeromedical, retrieval and tactical environments.

Course Structure

You are required to complete the following units:

- Advanced Clinical Assessment and Decision Making
- Pharmacological Application in the Critical Care Setting
- Medical Science Research Project 1
- Aeromedical, Retrieval and Tactical Medicine
- Advanced Critical Skills Application
- Advanced Assessment, Diagnostic Interpretation and Management
- Medical Science Research Project 2
- Advanced Clinical Care of Trauma and Environmental Emergencies

English Requirements

Standard entry requirements apply.

MASTER OF PARAMEDIC SCIENCE

1.5 | 3 | 8 | |

COURSE CODE: CH87
INTAKES: Term 1
AVAILABILITY: Online
ANNUAL FEE: 25 920 **TOTAL COURSE FEE:** 39 657

This course provides you with the skills, knowledge, clinical reasoning and leadership strategies to meet the role of a Paramedic Practitioner. The Paramedic Practitioner is an advanced healthcare professional who can provide essential services in the non-emergency, out-of-hospital, low acuity or primary healthcare settings. Upon completion of this course, you will be able to deliver a primary care level of paramedic practice as well as the ability to identify alternative pathways within the healthcare system to effectively and independently manage a broad range of common chronic and low acuity disease states. This care is a patient-centred approach that ensures you are a competent and yet diverse clinical practitioner who can meet low acuity healthcare needs of the community.

Course Structure

You are required to complete the following units:

- Primary Healthcare 1
- Science and Instrumentation of Ultrasound
- Medical Science Research Project 1
- Primary Healthcare 2
- Medical Science Research Project 2
- Diagnostic Ultrasound for Point of Care (PoCUS)
- Primary Healthcare Engagement
- Primary Healthcare Practice

English Requirements

Standard entry requirements apply.

INFORMATION TECHNOLOGY AND DIGITAL MEDIA

GRADUATE CERTIFICATE IN INFORMATION SYSTEMS

5 | 1 | 4 |

COURSE CODE: CC29
INTAKES: Term 1, Term 2, Term 3
AVAILABILITY: Brisbane, Melbourne, Rockhampton North, Sydney, Online
ANNUAL FEE: 14 460 **TOTAL COURSE FEE:** 14 460
CRICOS CODE: 083581J

This course enables you to gain a broad understanding of information systems applications in industry as well as specific skills in programming, systems analysis and project management. You will obtain the foundational knowledge to solve and manage information systems problems. It is part of a suite of postgraduate information systems courses, allowing you to progress to the Graduate Diploma and Master of Information Systems.

Course Structure

You are required to complete the following compulsory units:

- Project Management Concepts
- Information Systems Analysis and Design
- Professional Skills in Information Communication Technology
- Introduction to Programming.

English Requirements

Standard entry requirements apply.

GRADUATE DIPLOMA OF INFORMATION SYSTEMS

1 | 2 | 8 |

COURSE CODE: CC47
INTAKES: Term 1, Term 2, term 3
AVAILABILITY: Brisbane, Melbourne, Rockhampton North, Sydney, Online
ANNUAL FEE: 29 220 **TOTAL COURSE FEE:** 29 220
CRICOS CODE: 083585E

This course builds on the foundation developed during the Graduate Certificate in Information Systems. You can study additional topics including databases, information and communications technologies management, e-business, networks and web design. You will be equipped with the skills required by modern businesses for solving contemporary information systems problems. This course provides a pathway into the Master of Information Systems.

Course Structure

You are required to complete the following compulsory units:

- Introduction to Programming
- Information Systems Analysis and Design
- Professional Skills in Information Communication Technology
- Project Management Concepts
- ICT Services Management
- Database Design and Development
- E-Business Systems.

Plus one unit from the following:

- Data Structures and Algorithms
- Network Routing and Switching
- Managing Human Resources
- Marketing Management and Digital Communications
- People and Organisations
- Managerial Finance
- Responsive Web Design
- Initiating and Planning Projects.

English Requirements

Standard entry requirements apply.

MASTER OF INFORMATION SYSTEMS

2 | 4 | 15 | | |

COURSE CODE: CC53
INTAKES: Term 1, Term 2, Term 3
AVAILABILITY: Brisbane, Melbourne, Rockhampton North, Sydney, Online
ANNUAL FEE: 29 220 **TOTAL COURSE FEE:** 60 511
CRICOS CODE: 083580K

This course provides an opportunity to extend your knowledge and skills in information technology, with a focus on business analysis and project management skills. It develops your capacity to manage the functional responsibility for choosing, implementing and maintaining information systems within an organisation in any industry. You can undertake an internship, which will further prepare you to contribute to future growth and change, as well as enhance your individual advancement opportunities.

Professional Recognition

As a graduate, you will be eligible for membership with the Australian Computer Society (ACS) at a Professional Level. For more information visit **www.acs.org.au**.

PSYCHOLOGY, SOCIAL WORK AND COMMUNITY SERVICES

GRADUATE CERTIFICATE IN POSITIVE PSYCHOLOGY

1 | 4

COURSE CODE: CH84
INTAKES: Term 1, Term 2
AVAILABILITY: Online

ANNUAL FEE:	TOTAL COURSE FEE:
13 220	13 220

In this course you will explore the history, development and practical application of positive psychology for enhancing the wellbeing and resilience of individuals, groups, communities and organisations. This, combined with contemporary theory, will provide you with an understanding of the multidimensional nature of wellbeing with relation to human flourishing. In doing so the course will draw from Seligman's (2011) PERMA (positive emotion, engagement, relationships, meaning and accomplishment) Model, together with other elements of wellbeing such as resilience, optimism and hope. You will examine system and behavioural change drivers and tools used to integrate change. Using the fundamental principles and theories you will research, design and develop positive psychology interventions across a range of settings.

MASTER OF APPLIED POSITIVE PSYCHOLOGY

4 | 10

COURSE CODE: CL41
INTAKES: Term 1
AVAILABILITY: Online

ANNUAL FEE:	TOTAL COURSE FEE:
26 640	40 759

This course will equip you with the knowledge and skills to generate wellbeing, enable positive change and help individuals, organisations and communities thrive.

Course Structure

You are required to complete the following compulsory units:

- Introduction to Positive Psychology: Perspectives on Wellbeing
- Inter-disciplinary Approaches to Positive Psychology
- Applied Positive Psychology
- Positive Psychology: Research Methods
- Group Facilitation and Coaching Skills
- Building Wellbeing and Resilience: Interconnected Factors
- Coaching Individuals for Positive Change
- Wellbeing Initiatives: Local and Global Scales
- Applied Positive Psychology Project A
- Applied Positive Psychology Project B

English Requirements

Standard entry requirements apply.

SERVICE INDUSTRIES

GRADUATE CERTIFICATE IN SUSTAINABLE TOURISM MANAGEMENT

5 | 1 | 4

COURSE CODE: CH77
INTAKES: Term 1, Term 2
AVAILABILITY: Cairns, Online

ANNUAL FEE:	TOTAL COURSE FEE:
13 560	13 560

CRICOS CODE: 092915F

This course aims to equip you with an advanced understanding of global sustainable tourism practices. Tourism is one of the world's largest industries and this course applies the core elements of sustainability to the development and ongoing management of tourism businesses and destinations. You may choose to continue your study towards a Master of Sustainable Tourism Management.

Course Structure

You are required to complete the following compulsory units:

- Introduction to Sustainable Tourism
- Managing Tourism in Natural and Protected Areas
- Tourism Impacts on Community, Culture and Heritage
- Tourism as a Strategy for Sustainable Development.

English Requirements

Standard entry requirements apply.

MASTER OF SUSTAINABLE TOURISM MANAGEMENT

2 | 4 | 16

COURSE CODE: CV89
INTAKES: Term 1, Term 2
AVAILABILITY: Cairns, Online

ANNUAL FEE:	TOTAL COURSE FEE:
27 210	56 053

CRICOS CODE: 089121M

This course aims to equip you with an advanced understanding of global sustainable tourism practices that are in place worldwide. With a specific mission to ensure you collaborate and engage with diverse communities, the course focuses on the economic, environmental and social-cultural aspects of sustainable tourism management. It is based on social innovation foundations and empowers you to liaise directly with industry.

Course Structure

You are required to complete the following compulsory units:

- Management and Business Context
- Effective Business Communications
- Managing Human Resources
- Marketing Management and Digital Communications
- Introduction to Sustainable Tourism
- Managing Sustainable Tourism Businesses
- Managing Tourism in Natural and Protected Areas
- Tourism Impacts on Community, Culture and Heritage
- Destination Planning and Management
- Tourism as a Strategy for Sustainable Development
- Research in Business
- Professional Project.

In addition, you may choose four electives from any six point postgraduate units provided pre or co-requisites have been satisfied. We recommend that you choose the following tourism electives:

- Social Media and Innovative Methods in Tourism Marketing
- Climate Change and Managing Tourism Risk.

English Requirements

Standard entry requirements apply.

TRANSPORT AND SAFETY SCIENCES

GRADUATE CERTIFICATE IN ACCIDENT PHENOMENOLOGY

1 | 2

COURSE CODE: CC63
INTAKES: Term 1, Term 2
AVAILABILITY: Online

ANNUAL FEE:	TOTAL COURSE FEE:
13 320	13 320

This course is ideal if you are a professional wanting to develop your knowledge and skills in safety accident investigations, already have an unrelated degree or have experience as a safety science practitioner. You will learn about safety and accident phenomenology and principles of accident investigation. You will also complete authentic learning tasks in state-of-the-art, purpose-built Forensic Accident Investigation Crash Laboratory.

Please note there is one unit with a compulsory residential school.

Course Structure

You are required to complete the following compulsory units:

- Safety and Accident Phenomenology
- Investigation Principles and Analysis.

English Requirements

Standard entry requirements apply.

GRADUATE CERTIFICATE IN ADVANCED ACCIDENT INVESTIGATION PRACTICE

COURSE CODE: CC65
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 13 320
TOTAL COURSE FEE: 13 320

This course aims to broaden your knowledge and skills in accident investigation and is specifically designed for graduates of the Bachelor of Accident Forensics. You can benefit from choosing an advanced specialisation to complement your previous studies in areas of Rail Safety Investigation, Air Safety Investigation or Industrial Accident Investigation. Upon completion of this course, you may continue with the Master of Advanced Safety Science Practice.

Course Structure

You are required to complete the following compulsory units:

- Accident Domain Project 1
- Accident Domain Project 2.

English Requirements

Standard entry requirements apply.

GRADUATE DIPLOMA OF ACCIDENT INVESTIGATION

COURSE CODE: CC50
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 26 640
TOTAL COURSE FEE: 26 640

This course is ideal if you have completed the Graduate Certificate of Accident Phenomenology, a degree in an unrelated field, or have experience as a safety practitioner and want to advance your career. You will develop advanced level expertise in the investigation and analysis of the factors which lead to accidents and the interventions required to prevent their recurrence. This course provides a pathway into the Master of Safety Science.

Please note there are two units with a compulsory residential school.

Professional Recognition

This course is accredited by a range of professional bodies, which graduates may be eligible for membership including:

- International Society of Air Safety Investigators
- Australian Society of Air Safety Investigators
- New Zealand Society of Air Safety Investigators
- Australian Transportation Safety Bureau.

Course Structure

You are required to complete the following compulsory units:

- Safety and Accident Phenomenology
- Investigation Principles and Analysis
- Investigation of Human Factors
- Accident Forensics and Engineering
- Crash Lab Project.

English Requirements

Standard entry requirements apply.

GRADUATE CERTIFICATE IN EMERGENCY AND DISASTER MANAGEMENT

COURSE CODE: CC27
INTAKES: Term 1
AVAILABILITY: Online
ANNUAL FEE: 13 320
TOTAL COURSE FEE: 13 320

This course recognises the changing nature of emergency and disaster management in Australia and the important role research and evidence-based practice plays in underpinning contemporary perspectives and approaches. You will draw upon the interdisciplinary nature of emergency and disaster management to explore current and emerging trends and national and international approaches, as well as the key concepts and perspectives that underpin contemporary practice. You will study with other students from a broad range of disciplines, expand your knowledge and skills and learn to apply this to the various phases of managing emergencies and disasters.

Course Structure

You are required to complete the following units:

- Leadership in Emergency and Disaster Management
- Research for Emergency and Disaster Management
- Building Adaptive Capacity

In addition, you may choose one unit from the following:

- Disaster Risk Reduction
- Human Factors in Complex Systems
- Managing People, Organisations and Context

English Requirements

Standard entry requirements apply.

MASTER OF ADVANCED SAFETY SCIENCE PRACTICE

COURSE CODE: CC76
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 26 640
TOTAL COURSE FEE: 40 759

This course is ideal if you have a Bachelor of Accident Forensics, a Bachelor of Occupational Health and Safety (OHS) or a Graduate Diploma of OHS. It aims to further develop your safety science related knowledge, analysis and research skills that will allow you to become a safety leader and manage complex safety environments. You will have an opportunity to choose two advanced specialisation practice areas.

Please note there are two units with a compulsory residential school.

You will have an opportunity to choose two advanced specialisation practice areas as study options including:

- Risk Engineering
- Human Factors Engineering
- Accident Forensics
- Transport Safety Management
- Rail Safety Investigation
- Air Safety Investigation
- Road Safety Investigation
- Industrial Accident Investigation
- Emergency Services Safety.

English Requirements

Standard entry requirements apply.

MASTER OF SAFETY SCIENCE (MAJOR)

COURSE CODE: CC79
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 26 640
TOTAL COURSE FEE: 40 759

This course provides you with a sophisticated set of safety science related knowledge, analysis and research skills that will allow you to become a safety leader and manage complex safety and investigation environments.

You will choose to major in Transport Safety Management, Rail Safety Investigation, Air Safety Investigation, Risk Engineering, Industrial Accident Investigation, Human Factors Engineering, Accident Forensics, Emergency Services Safety or Road Safety Investigation.

Please note there are two units with a compulsory residential school.

Professional Recognition

As a graduate, you may be eligible to apply for Chartered Professional Membership with the Safety Institute of Australia. This course also meets the requirements for accreditation by the Australian Occupational Health and Safety Education Accreditation Board.

Course Structure

You are required to complete between 9 and 11 units depending on the major selected.

English Requirements

Standard entry requirements apply.

GRADUATE DIPLOMA OF OCCUPATIONAL HEALTH AND SAFETY

COURSE CODE: CC77
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 26 640
TOTAL COURSE FEE: 26 640

This course is suitable if you have a degree in an unrelated discipline and are looking to enhance your career by developing occupational health and safety skills, or if you have experience in safety but no degree. You will study safety and accident phenomenology, human factors and fatigue risk management, hazard management, occupational health and safety practice and safety legislation and regulations. You may choose to further your studies in the Master of Safety Science.

Please note there are two units with a compulsory residential school.

Professional Recognition

As a graduate, you may be eligible to apply for Chartered Professional Membership with the Safety Institute of Australia.

Course Structure

You are required to complete the following compulsory units:

- Safety and Accident Phenomenology
- Human Factors in Complex Systems
- Fatigue Risk Management
- Exposures and Health Risk
- Evidence-Informed OHS Practice
- Safety Systems and Regulation.

English Requirements

Standard entry requirements apply.

GRADUATE CERTIFICATE IN ADVANCED SAFETY SCIENCE PRACTICE

COURSE CODE: CC49
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 13 320 **TOTAL COURSE FEE:** 13 320

This course allows you to develop your safety science related knowledge, analysis and research skills in a way that will enable you to lead and manage specific complex safety environments. You have an opportunity to choose an advanced specialisation to complement your previous studies including: Transport Safety Management; Risk Engineering; Human Factors Engineering and Emergency Services Safety.

Course Structure

You are required to complete the following units:

- Specialisation Contexts and Methods 1
- Specialisation Project 1

English Requirements

Standard entry requirements apply.

GRADUATE CERTIFICATE IN FATIGUE RISK MANAGEMENT

COURSE CODE: CC78
INTAKES: Term 1, Term 2
AVAILABILITY: Online
ANNUAL FEE: 13 320 **TOTAL COURSE FEE:** 13 320

This course allows you to develop a comprehensive set of skills and knowledge relating to managing the risks associated with fatigue. You will study safety and accident phenomenology, human factors and fatigue risk management. This course prepares you for the Graduate Diploma of Occupational Health and Safety.

Please note there is one unit with a compulsory residential school.

Course Structure

You are required to complete the following compulsory units:

- Safety and Accident Phenomenology
- Human Factors in Complex Systems
- Fatigue Risk Management.

English Requirements

Standard entry requirements apply.

RESEARCH HIGHER DEGREES

CQUniversity provides a range of exciting and relevant research opportunities for masters by research and doctoral candidates. We are committed to excellence and quality in the research training experience of our candidates.

Research degrees require you to undertake supervised research on a specific topic of interest. The choice of research topic is varied. You can choose any area, provided the University confirms the topic is valid and is able to provide suitable supervision and adequate facilities. Your research will lead to the preparation of a thesis which will be critically reviewed by an expert panel.

The masters degree by research is a course of supervised research and study leading to the submission of a thesis which makes a contribution to knowledge. The doctorate is a course of supervised research, which requires candidates to make a significant and original contribution to new knowledge.

All higher research degrees are governed by the relevant Course Rules, located at **www.cqu.edu.au/research**, which provide details regarding all aspects of admission, progression, submission and examination of the thesis. Consultation with the University will assist you to determine eligibility for admission, to identify the proposed areas of research and to ascertain the availability of suitable supervisors.

MASTER OF APPLIED SCIENCE

COURSE CODE: CA40
INTAKES: Term 1, Term 2, Term 3
AVAILABILITY: Adelaide, Brisbane, Bundaberg, Cairns, Emerald, Gladstone Marina, Mackay Ooralea, Melbourne, Noosa, Rockhampton North, Sydney, Townsville, Online
ANNUAL FEE: 28 904 **TOTAL COURSE FEE:** 59 542
CRICOS CODE: 020808E

MASTER BY RESEARCH (OFFSHORE)

2

COURSE CODE: CD85

INTAKES: Term 1, Term 2, Term 3

AVAILABILITY: Online

ANNUAL FEE:	TOTAL COURSE FEE:
28 904	59 542

The Master by Research (Offshore) provides you with the opportunity to study a master's by research, recognised within the Australian Qualification Framework, whilst remaining in your home country for a substantive part of the degree. The course is comprised of an independent research study and thesis, overseen by academic supervisors. This degree is limited to high-quality applicants wishing to pursue research in particular discipline areas. For fully offshore candidates, periods of short-term visitation in Australia will be required during this degree, and travel support is available to facilitate such visits. For candidates undertaking this course under a cotutelle model, an extended period of study within Australia will be required, typically lasting at least six months or more.

DOCTOR OF EDUCATION

4

COURSE CODE: CQ16

INTAKES: Term 1, Term 2, Term 3

AVAILABILITY: Adelaide, Brisbane, Bundaberg, Cairns, Emerald, Gladstone Marina, Mackay Ooralea, Melbourne, Noosa, Rockhampton North, Sydney, Townsville, Online

ANNUAL FEE:	TOTAL COURSE FEE:
25 324	110 783

CRICOS CODE: 075084D

The Doctor of Education is a doctoral course of supervised research and tasks designed for professional educators. The course comprises structured research tasks, proposal development and a thesis component.

DOCTOR OF PHILOSOPHY – ARTS, HUMANITIES AND EDUCATION

4

COURSE CODE: CD61

INTAKES: Term 1, Term 2, Term 3

AVAILABILITY: Adelaide, Brisbane, Bundaberg, Cairns, Emerald, Gladstone Marina, Mackay Ooralea, Melbourne, Noosa, Rockhampton North, Sydney, Townsville, Online

ANNUAL FEE:	TOTAL COURSE FEE:
25 324	110 783

CRICOS CODE: 058809B

The Doctor of Philosophy (PhD) is a course of supervised research focused on a particular area of interest you have in education and teaching. Your research will lead to the submission of a thesis, which makes a significant original contribution to knowledge. This contribution can be in the form of new knowledge or significant and original adaptation, application and interpretation of existing knowledge.

DOCTOR OF PHILOSOPHY – BUSINESS AND INFORMATICS

4

COURSE CODE: CD60

INTAKES: Term 1, Term 2, Term 3

AVAILABILITY: Adelaide, Brisbane, Bundaberg, Cairns, Emerald, Gladstone Marina, Mackay Ooralea, Melbourne, Noosa, Rockhampton North, Sydney, Townsville, Online

ANNUAL FEE:	TOTAL COURSE FEE:

STUDENT ESSENTIALS

STUDENT VISA

If you intend to study in Australia, you will require a student visa for the duration of your studies. Once you have received your visa, there are requirements you must meet in order for it to remain valid. The Department of Home Affairs website provides all information in relation to student visas. For more information visit **www.homeaffairs.gov.au**.

OVERSEAS STUDENT HEALTH COVER (OSHC)

The University requires that you pay for your OSHC when you pay for your tuition fees. This will ensure that you have health cover upon arrival in Australia. The cost of OSHC will depend on the type of cover you need. Allianz is CQUniversity's preferred provider. For more information and a quick quote visit **www.oshcallianzassistance.com.au**.

WORKING WHILE STUDYING

As a student visa holder, you may work up to 40 hours per fortnight while your course is in session and unlimited hours during term breaks. However, you need to obtain a Tax File Number (TFN). The Australian Tax Office provides information on how to file for a TFN. For more information visit **www.ato.gov.au**.

GETTING AROUND

Getting around by public transport is an affordable and convenient option. Some states provide discounted concessions for international students. For more information visit the following websites:

- New South Wales – **www.transportnsw.info/international-students**
- Queensland – **www.tmr.qld.gov.au** and **www.translink.com.au**
- South Australia – **www.adelaidemetro.com.au/Tickets**
- Victoria – **www.ptv.vic.gov.au/tickets/myki**
- Western Australia - **http://www.transperth.wa.gov.au**.

STUDENTS UNDER 18

If you are under 18 years old when you start your studies, you are required to have an approved guardian until you turn 18 and reside in a CQUniversity approved accommodation. For more information visit **www.cqu.edu.au/studentvisas**.

BRINGING FAMILY

If you wish to bring your family, you must provide evidence that you will be able to support them financially while they are in Australia. There are costs associated with schooling, childcare and health insurance.

LIVING COST

Cost of living varies depending on the location, accommodation type and lifestyle you choose. The table below reflects basic living costs and do not include tuition fees, air tickets, student visa application fees, medical examinations for student visa application, OSHC and study related costs such as textbooks. When you first arrive, you will need to consider establishment costs such as bond payment, advance rent, furniture and other household items. If you have a car, you will need to consider vehicle registration and maintenance costs.

LIVING EXPENSES FOR A SINGLE STUDENT	AVERAGE PER WEEK (AU$)
Accommodation	165 – 440
Groceries and eating out	80 – 280
Utilities	35 – 140
Public transport	15 – 55
Phone and Internet	20 – 55
Entertainment	80 – 150

Source: Study in Australia.

The Department of Home Affairs has financial requirements you must meet in order to receive a student visa for Australia. From 1 February 2018 the 12 month living cost is:

- you – AU$20 290
- partner or spouse – AU$7100
- child – AU$3040.

STUDY MODES

On-campus

If you are in Australia on a student visa you must study full time on campus. While in Australia, you are able to undertake some units within your course online provided it is: no more than 25 per cent of your entire course; approved by the University; and not entirely online in a compulsory term.

Online

By choosing to study online, you'll have the flexibility to study a course without needing to visit a campus. If you choose to study online, you may choose part time or full time to study at your own pace. Some courses require you to attend a residential school in Australia for a short period of time.

STUDY FULL OR PART TIME

Full time

For an undergraduate bachelor degree, a standard full-time load consists of four units per term. You can expect a maximum of 16 hours on campus each week, consisting of four hours per unit.

Part time

Part-time study is only available to international students who do not live in Australia and are studying online. A part-time study load consists of one or two units per term.

RECOGNITION OF PRIOR LEARNING

If you have previously studied at another university or institution within the last ten years, or have professional experience, you may be eligible for recognition of prior learning (also known as advanced standing, credit exemption and credit transfer). Recognition of prior learning must be applied for at the time of applying for your course. Your qualifications and professional experience will be assessed on a case by case basis. Confirmation of approved credits will be made when you receive an Offer of Admission.

KEY DATES

We offer three terms per year, so you can start your course at the beginning of the year, mid year or towards the end of the year. Term 3 is not compulsory – it is another study option to provide you with the opportunity to start your study at a time more convenient to you, or to fast track your study and get into the workforce sooner.

	TERM 1 2019	TERM 2 2019	TERM 3 2019
Classes begin	11 March	15 July	11 November
Classes end	7 June	11 October	14 February 2020
Exam	13 June – 21 June	17 October – 25 October	17 February – 21 February 2020
University vacation	24 June – 12 July	28 October – 8 November	24 February – 6 March 2020

DAVID CORTES, MASTER OF PROJECT MANAGEMENT

HOW TO APPLY

POSTGRADUATE COURSEWORK STUDENTS

Once you have decided on the course you wish to apply for, follow these steps to ensure your application is processed promptly.

1. **Gather all supporting documents you require.**
These include certified academic transcripts, evidence that you meet the English requirements, translated documents where applicable and personal identification documents such as your passport.

2. **Submit your application.**
Apply online through iStart, our online application system. Applications for a scholarship are done at the same time. You may also contact one of our authorised agent representatives in your home country to assist with your application.

3. **Receive your offer.**
If your application is successful, you or your agent (if you appointed one) will receive the Offer of Admission via email. Your offer letter will include important information on:
   - » the course
   - » tuition fees and the deposit payable
   - » the duration of the course
   - » the course commencement date
   - » the fee for visa length overseas student health cover
   - » conditions that need to be met, if any.

4. **Accept your offer.**
Meet any conditions on your offer, make payment and organise your Overseas Student Health Cover. We will process your acceptance and issue a Confirmation of Enrolment (COE).

5. **Apply for your Student Visa.**
A COE is required for your application for a student visa to study and live in Australia legally. Apply online at the Department of Home Affairs at **www.homeaffairs.gov.au/trav/visa/appl/student**.

6. **Arrive in Australia.**
We can provide advice on airport pick-up and short and long-term accommodation options. You can find out more about this, including enrolment and orientation at **www.cqu.edu.au/international-arrival**.

RESEARCH STUDENTS

Research higher degree applications are invited all year round. There are no set intake dates for research higher degrees.

The research higher degree online application process begins with an Expression of Interest through iStart. You will be asked to select your course and location, along with providing a brief description of your proposed research topic.

1. **Ensure topic is aligned with the University's research priority areas.**
Visit **www.cqu.edu.au/research/research-higher-degrees** projects for information on our current research project.

2. **Identify a potential research supervisor.**
For expert advice and direction regarding a prospective supervisor, please refer to the Deputy Dean Research in the relevant school of which your research area of interest relates to.

3. **Submit a full application.**
Depending upon the outcome of your Expression of Interest, you may be invited to submit a full application for admission as a research higher degree candidate.
