Full Time Workload

Study Abroad and exchange students can choose from any of the courses listed in the schedule of course prescriptions, as long as they have the appropriate academic background for the course they wish to study.

You are required to study full-time to satisfy Immigration New Zealand requirements. This means that you will need to study a minimum of 45 credits at Lincoln per semester. 60 credits is a full time course load.

For undergraduate students this means choosing four courses, each worth 15 credits, per semester. Undergraduate students can choose from courses at the 100 (1st year), 200 (2nd year) or 300 (3rd year) level.

Generally, 60 credits at Lincoln University is equivalent to 30 ECTS or 16 US Credits.
